## "THE OLD SCRATCH"

How the Evil One Came to Be Popularly Known as "The Old Scratch."

One of the many familiar names of his satanic majesty is "The Old Scratch." It is undoubtedly due to the fact that something is so disagreeable that people that it is no worse than the evil one. A scarp full of dandruff keeps one from all the time. It is not only disagreeable, but considered very indecent in polite society—as it should be—because one ought to keep the scalp so clean that it would not itch. To cure the scarp of dandruff effectively use Newell's Hair Dressing. It kills the germ that creates the dandruff, which is preliminary to falling hair, and finally baldness. No other hair preparation kills the dandruff germ. Herpelle also is a very effective and effective hair dresser. Sold by leading druggists. Send the stamps for sample to The Herpelle Co., Detroit, Mich.

## Benjamin Franklin Said:

"Money makes money, and the money that money makes, makes more money."

Money will grow if planted where it will earn interest. The important fact to be kept in mind about the growth of money, is that it will not grow unless it is first saved and saved regularly. You can find no safer investment for your savings, and none equally safe that will pay you better interest than a few shares of stock in this association.

Ten Dollars a month will give you One Thousand at maturity. If Franklin were living today he would advise you to put your monthly savings with the
